

How can RockBridge foundation help me?

Did you know that very few Single Adults have effective wills. RockBridge Foundation can help you with that.

It's hard to realize, but none of us will live forever. Wills are not just for senior adults or those with children. They're important for everyone.

For most single adults, putting the cost of a Starbucks latte into a ministry plan will allow you to significantly impact a ministry you care about. RockBridge Foundation can help you investigate how you can do that.

You can begin working on your legacy now.

A Message From RockBridge Foundation Director, Jim Jenkins

We at RockBridge Foundation are here to help you establish the two most important elements of your legacy. First and foremost, we want you to leave a lasting *spiritual* legacy.

When Paul wrote 2 Timothy 4:6-7 he was at the end of his life and knew it. In verse 6, he says he was being poured out as a drink offering. That's an important metaphor for us also. The drink offering was a libation of oils and wine poured onto or next to the sacrifice in a burnt offering. Naturally it was consumed by the fire, but it's aroma and essence came from the sacrificed meat. All that was left was that fragrance or seasoning in the sacrifice.

In the same way, Paul poured himself into the lives of those he taught. All that would be left of his life was the truths of Christ in the lives of those he taught, those he called his children. That was his legacy.

What's your spiritual legacy? Are there others—maybe children, coworkers, neighbors—who've been changed because you poured your life into them the way Paul poured his life into Timothy and others? Our goal at Brentwood Baptist Church and RockBridge Foundation is to equip you to leave a spiritual legacy.

The second part of your legacy is the financial arrangements you make for your family and the ministries of the church. RockBridge Foundation exists to help you develop a ministry plan for your fiscal legacy. It's my prayer that you'll let me help you with both elements of your legacy.

In Christ,

Jim Jenkins, RockBridge Foundation Director

Answer this question:
What is my legacy?

What is RockBridge Foundation?

The **RockBridge Foundation**, originally called the Brentwood Baptist Foundation, was established in response to the vision of Bill Wilson, the first pastor of Brentwood Baptist Church.

Bill's plan was to fund mission activities through estate gifts and current giving to the foundation. He believed that such a foundation would put Brentwood Baptist in position to respond in a timely manner to ministry opportunities such as:

- natural disasters
- beginning new congregations
- financially supporting those going on mission trips
- financial needs of our seminary students
- Other ministries that may not even exist today

Our Mission Statement

The **RockBridge Foundation** exists to support Brentwood Baptist Church's Acts 1:8 ministry goals and help Christians achieve their ministry passions today and tomorrow.

My Spiritual Legacy Checklist

Am I:

- Studying God's Word?
- Applying what I learn to my daily life?
- Investing in the spiritual growth of my friends and family?
- Sharing Christ with those who are not connected to Him?
- Using my spiritual gifts to impact my community for Christ where I live, work, and play?

My Fiscal Legacy Checklist

Do I:

- Have a will that directs how my tangible possessions will be handled? (If you don't, government entities will decide for you.)
- Have a living will that directs how my medical care should be handled if I can not make the decision for myself at the time. (This alleviates a source of stress for your family.)
- Have an established power of attorney to handle my business and health decisions if for some reason I can not?
- Know I have explored the options available to me for the most effective distribution of my assets to family, friends, and ministries after my death?
- Have documents in place to execute my financial plan?
